## GOAL
Positions faculty to compete for extramural funding.

## Positions NU as a great University.

## SCOPE
Must be seeking a defined federal/foundation extramural funding opportunity.

Proposals may cover a range of outcomes to create significant impacts. The impacts could be student-oriented, research-oriented, and/or community-oriented, etc.

## LENGTH OF RUNWAY
Funding available for accepted proposals July 2019.

Funding for accepted proposals is dependent on fundraising. The proposal being accepted is just the beginning of the process.

## IMMEDIACY OF FUNDING
Within the next year.

Within the next 4-8 years.

## DOLLAR AMOUNT
$20,000 - $300,000

Will likely require an investment of $25 million or more.

## FACULTY
All disciplines (including arts, humanities and fine arts) encouraged to apply, not just STEM.

All disciplines (including arts, humanities and fine arts) encouraged to apply, not just STEM.

## IMPACT
Strengthen and grow.

Transform.
