4. DESIGNATING YOUR BENEFICIARY(IES)

When designating primary and contingent beneficiaries, please use whole percentages and be sure that the percentages for each group of beneficiaries total 100%. If more than one person is named and no percentages are indicated, payment will be made in equal shares to your primary beneficiary(ies) who survives you. If a percentage is indicated and a primary beneficiary(ies) does not survive you, the percentage of that beneficiary’s designated share shall be divided among the surviving primary beneficiary(ies) in proportion to the percentage selected for them.

☐ Please check here if you have more than three primary or three contingent beneficiaries, and attach a separate sheet with your additional information.
