TO: The Board of Regents

Business Affairs

MEETING DATE: February 12, 2010

SUBJECT: West Haymarket Arena Memorandum of Understanding with the City of Lincoln, Nebraska.

RECOMMENDED ACTION: Authorize the President to administer and execute the Memorandum of Understanding with the City of Lincoln related to the West Haymarket Arena Project.

PREVIOUS ACTION: None.

EXPLANATION: Approval of this agenda item will authorize the President to execute the West Haymarket Arena Memorandum of Understanding with the City of Lincoln. A copy of the agreement is attached.

The City of Lincoln will be considering the Memorandum of Understanding on or before February 8, 2010.

The terms of the Memorandum of Understanding provide for final definitive agreements that will limit the University’s financial obligations in the West Haymarket Arena Project to rent for Athletics to operate Home Games and practices for men’s and women’s basketball programs. The definitive agreements between the University and City are planned to include the creation of a separate entity, the West Haymarket Joint Public Agency (JPA) and a related lease or operating agreement (Lease/Operating Agreement) as determined by the parties.

Athletics is to be a tenant in the Arena, the University is to be a party to the JPA, and the Board of Regents shall approve any Lease/Operating Agreement involving Athletics related to the Arena.

The MOU allows the City to sell suites and loges at a market rate and allows Athletics to sell club seating and floor seating with Athletics retaining sole control of the per-seat contribution. Revenue from the seating is allocated between Athletics and the City according to the Summary of Uses and Sources attached to the MOU.

The MOU also provides for an appropriate debt related pledge of Athletics’ portion of loge seating revenues subject to a dollar for dollar reimbursement, should such pledge be required by bondholders as approved by Bond Counsel for the University and then only as a special limited obligation not constituting a debt or liability of the University.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made and entered into as of the _____ day of
____________________, 2010, by and between the City of Lincoln, Nebraska, a municipal
corporation ("City"), and the Board of Regents of the University of Nebraska, a public body corporate
organized and existing under the laws of the State of Nebraska ("University") on behalf of the University
of Nebraska-Lincoln ("UNL") and its Department of Intercollegiate Athletics ("Athletics").

RECITALS

A. In an effort to strengthen the long-term economic and physical viability of the West Haymarket
District and Downtown Lincoln, the City is proposing to construct an approximately 16,000-seat arena in
an irregular bounded tract of land located to the west of the U.S. Post Office in Downtown Lincoln.

B. In order to pay for site acquisition and related costs, including the cost of acquiring the BNSF Property
and constructing the Arena and necessary public improvements, it will be necessary for the City to issue
general obligation bonds of the City guaranteed by the authority to levy a tax for the payment thereof.
However, in order to avoid a property tax levy for repayment of the bonds, the City intends to repay the
bonds from other revenue sources including but not limited to revenues received from new Arena
signage, naming rights for the Arena, concourses, plaza, and club area, and the licensing of Premium
Seating and other sources that may be needed to fully fund the Arena and related West Haymarket
Improvements (defined below).

C. It is in the best interest of the City to present the question of the issuance of such bonds and the
levying of a tax to pay the same ("Bond Question") to the electors of the City at the primary election to
be held by the City on Tuesday, May 11, 2010, or at a special election to be held later in 2010.

D. UNL is a member of the National Collegiate Athletic Association ("NCAA") and UNL's Athletics
Department ("Athletics") currently has men's and women's varsity basketball teams ("Basketball
Teams"). The Basketball Teams currently play their home games in Lincoln ("Home Games") during each
basketball season in the Bob Devaney Sports Center.

E. If the City goes forward with the Arena, Athletics is willing to relocate the Home Games of the
Basketball Teams from UNL's Bob Devaney Sports Center to the Arena in order to provide its Basketball
Teams' fans with the best possible experience and venue for the Home Games provided the relocation
does not cause Athletics to lose the revenue needed to support its Basketball Teams.

F. The City and University have developed an estimated Uses and Sources summary (attached as Exhibit
A) including a cash flow assumption estimating that premium seating in the Arena will potentially
generate revenue for Athletics in excess of an amount that could be produced at the Bob Devaney
Sports Center.

G. The definitive agreements between the University and City are planned to include an interlocal
agreement and related provisions to create a Joint Public Agency (JPA) pursuant to the Joint Public
Agency Act (Neb. Rev. Stat. §§13-2501 - 13-2550) and a related lease and operating agreement, including Athletics use of the Arena (Lease/Operating Agreement) as determined by the parties.

H. The JPA will function as a coordinating entity to finance and provide for the contracted design and construction of the Arena as well as necessary land acquisitions/remediation and supporting infrastructure and facilities for the larger scope of West Haymarket Improvements.

I. The JPA will allow the parties to track and account for costs and revenues related to the Leased Improvements at the Arena at the same time allowing for the broader Arena Improvements to benefit from pour-over revenue allocations when available. Other West Haymarket Improvements may also derive the benefits of being included under the general financing authority or jurisdiction of the JPA but are to be stand alone and separate from the debt service and revenue allocations related to the Arena and Athletics. Athletics is to be a tenant in the Arena, the University is to be a party to the JPA, and the University Board of Regents shall approve the Lease/Operating Agreement.

J. The City and University are executing and entering into this Memorandum of Understanding to set forth the understandings of the City and University with respect to construction of the Arena on the Arena Site utilizing the JPA for financing and other financial agreements related to Premium Seating, and the subsequent lease of the Leased Improvements to Athletics for the use of its Basketball Teams.

3. Arena Construction. The Arena will be constructed by the City or JPA and financed through the JPA.

4. Process for Design and Construction of Arena; General Intent. It is the intent of Athletics and the City to work together in all aspects of the design, development and construction of the Arena and in particular, the Basketball Space. Athletics will be given an opportunity to have representatives present at meetings and briefings with the City’s design and construction professionals with the intent being that Athletics is entitled to full disclosure of and participation in the process for the design and construction of the Arena. At a minimum, the Basketball Space shall consist of:

D. Fiber Optic Connection to Husker Vision as provided below in Section 7.

E. Seating. The details for seating are provided below in Section 11.

It is the intent of the City to keep the Athletics fully informed as part of the collaborative effort as the Arena is designed and constructed. The City agrees to work together with Athletics to locate, design and build the Arena seating, including the number of suites, loge seating, club seating, and floor seating; media work area; the press box area; the studio and production area; interview room; hospitality rooms, and any other area reasonably necessary to carry out the Home Games. The plans and specifications for the Arena will be prepared at the direction of the City subject to approval of Athletics; such approval not to be unreasonably withheld or delayed and to be limited in scope to confirming that the Arena will fulfill Athletics’ needs and that it can be constructed within the approved time schedule.

5. Administration, Design and Construction. The Arena will include the Basketball Space as designed and constructed in accordance with the approved Drawings and Specifications and Construction Documents.

6. Arena Parking Improvements. The Arena Parking Improvements to serve the Arena will be constructed in accordance with the approved Drawings and Specifications and Construction Documents. The Arena Parking Improvements are envisioned to contain approximately 550 parking spaces in the Arena Parking Garage, approximately 60 parking spaces in the Arena Surface Parking, and approximately 1,500 parking spaces in the NW Arena Parking Lot. The City will provide or cause to be provided to Athletics a reasonable number of up to 100 parking spaces in the Arena Parking Improvements, approximately 40 of which will be in the Arena Surface Parking for student-athletes, coaching staff, support staff, and officials for all Home Games, practice and other Athletics sponsored intercollegiate athletic events at no cost in accordance with the applicable NCAA requirements.

7. Fiber Optic Cable. The City will install or cause to be installed a 48-strand fiber optic cable from the new Arena to Memorial Stadium’s Husker Vision control room.

8. Completion Date. It is the intent of the parties that the Arena and the Arena Parking Improvements be completed and available for use by September 1, 2013. The parties agree that timely completion of the Leased Improvements in the Arena is critically important and that any anticipated delays or other circumstances jeopardizing the intended completion date shall be timely provided to the other party as soon as practical so that any preventive or remedial measures can be reasonably deployed.
9. Lease/Operating Agreement. Athletics agrees to lease from the City the Leased Improvements for Home Games and other incidental uses by the Basketball Teams on the terms set forth below:

A. Term. Athletics’ Lease of the Leased Improvements will have an initial term of thirty (30) years which is anticipated to begin on September 1, 2013, with the actual usage dates of the Leased Improvements to be determined on an annual basis as set forth in C below. At the end of the initial term and each successive extension, the University will have the right to extend the term for three (3) additional five-year periods. The initial term together with any extensions is referred to herein as the “Lease Term.” The parties agree that the Lease/Operating Agreement shall include provisions for a funded capital replacement/enhancement program.

B. Use by Athletics. During the Lease Term, the Basketball Teams shall be considered the Arena’s primary tenant and as such Athletics shall be accorded the privilege of securing the dates it needs for all pre-season and regular season Home Games of the Basketball Teams between October 1 and March 15 (“Basketball Season”) of each year of the Lease Term before any dates within the Basketball Season are offered to any other entity. Athletics shall also be accorded the privilege of securing the date before each Home Game for practice by the Basketball Teams and visiting teams. In order to secure the foregoing privileges, Athletics shall inform the City as early as possible, but no later than by September 1 of each year during the Lease Term of the day before practice dates and dates for Home Games of the Basketball Teams. During each Basketball Season, Athletics shall play in the Arena all of the “Home Games” of both Basketball Teams (excluding any game played outside of Lincoln, Nebraska in a facility which is neutral for both playing teams but where one of the two playing teams nevertheless must be determined as the “home team”). Athletics will use its best efforts to play a minimum of 30 Home Games (15 men’s and 15 women’s) in the Arena during each Basketball Season. During the Basketball Season, Athletics shall have the right to use the Arena for practice on any other dates the Arena is not scheduled or being prepared for another event subject to City approval which shall not unreasonably be withheld. Athletics shall quit and surrender the Basketball Space to the City at the end of each practice and/or Home Game in the same condition as at the date and time of the commencement of the practice and/or Home Games, ordinary wear and tear excepted. The City will have the right to lease the Arena to other entities on the dates when the Basketball Teams are not scheduled to practice or play Home Games in the Arena provided that at the end of such other event the Arena is again set up for use by the Basketball Teams for practice or Home Games. Notwithstanding the above, the City will use commercially reasonable efforts to work with Athletics to hold use of the Arena open during the last two weeks of March for basketball post-season play at a mutually agreed upon rental rate. Athletics agrees to make reasonable efforts to comply with the City’s request that Athletics not schedule day before practices and Home Games on certain dates (“Black Out Dates”). The City will attempt to give Athletics at least ninety (90) days advance notice of the City’s requested Black Out Dates.

C. Rent. Athletics agrees to pay the City an annual rental (“Rent”) of Seven Hundred Fifty Thousand and 00/100th Dollars ($750,000.00). The Rent shall be increased for inflation on an annual basis beginning in September of 2014 and in each succeeding year utilizing the Consumer Price Index for All Urban Consumers (CPI-U) over the last 12 months before seasonal adjustment as reported for the month the adjustment is made by the U.S. Bureau of Labor Statistics (or its successor). The Rent shall be payable in
one installment following the Basketball Season but not later than May 1 of each year of the Lease Term. The Rent includes all costs of utilities, janitorial services and routine maintenance incurred and attributable to Athletics’ exclusive use of the Leased Improvements but excludes home game expenses as agreed in the Lease/Operating Agreement. Upon reasonable notice to the City, the University may schedule use of the Arena for other University events up to fifteen days per year without paying additional rent. Such use shall be restricted to dates the Arena is not scheduled or being prepared for another event and shall be subject to the University paying the City an amount intended to approximate all actual and direct costs and expenses incurred or paid by or on behalf of the City to provide incremental costs not included in rent related to the event for customary utilities, janitorial, police, traffic control, fire prevention, directional signage, and other similar services for the event not to exceed the lowest rates customarily charged for other Arena users for similar events. University, at its own cost and expense, shall employ all other support staff needed by the University in order to hold the event.

D. Credit Against Rent. An annual amount equal to: all turnback sales tax receipts the City receives from the sale of basketball tickets for Home Games (includes 70% of the state sales tax), pursuant to the Convention Center Facility Financing Assistance Act (Neb. Rev. Stat. §§13-2601 to 13-2612); the first dollar of all City imposed ticket surcharges on basketball tickets sold for Home Games during each Basketball Season; and a make-whole provision for lost concessions revenues in an amount of $300,000 shall first be applied as a credit toward Athletics Rent and then to other Athletics Home Game expenses. The City agrees to renegotiate the make-whole provision for concessions in the event University eliminates or modifies its restrictions on the sale of alcohol at Home Games and other University events held in the Arena. The concessions make whole annual amount shall be increased for inflation on an annual basis beginning in September of 2014 and in each succeeding year utilizing the Consumer Price Index for All Urban Consumers (CPI-U) over the last 12 months before seasonal adjustment as reported for the month the adjustment is made by the U.S. Bureau of Labor Statistics (or its successor).

A. City Home Game Staffing. Consistent with the terms of (10) B below and the Lease/Operating Agreement for the Basketball Space, the City will be responsible for providing, customary utilities, janitorial, police, traffic control, fire prevention, directional signage and other similar services for events at the Arena. Athletics will retain operational control of the Home Games for purposes of NCAA compliance and otherwise. Home Game related services for concessions and otherwise will be provided and staffed according to the Operating Agreement. The City and Athletics will meet annually to discuss and evaluate the required staffing for Home Games.

B. Athletics Home Game Staffing. Athletics, at its cost and expense, shall employ the officials and all event support staff, including but not limited to statisticians, timekeepers, scorekeepers, public address announcers, runners and other event and operations related staffing.

C. Basketball Space. The City shall provide or cause to be provided for each Home Game the leased Basketball Space in a first class condition.
11. **Seating.** The uses and sources for the Arena at the time of this agreement anticipate the following levels of premium seating: A) Suites, B) Loge C) Club and Floor.

A. Suites Seating. It is anticipated the Arena will initially have 36 out of a possible 48 suites of which four (4) will be designated as UNL Suites, two (2) will be designated as City Suites, and the remaining 30 suites will be designated as Private Suites as all approved in the Construction Documents. No license fee will be charged for the UNL Suites or City Suites. The City will market and sell all of the Private Suites, retaining the related Suite revenues, provided that Athletics will be provided and retain sole control of the 4 UNL Suites from the initial phase of construction to market, sell or use as determined by Athletics. In the event the City decides to increase the number of suites in excess of 36, the City shall offer the University the option to build up to one-half of the increased number of suites and to market, sell or use such suites as determined by Athletics. If the University does not exercise its option within 180 days from receipt of the same, unless otherwise agreed by the Parties, the City may proceed to construct the suites and market, sell or use such suites as determined by the City. Subject to the terms and conditions of subparagraph D below, University grants City the exclusive right to market, license and assign the Private Suites to individuals and entities in connection therewith.

B. Loge Seating. The City will market and sell all of the Loge Seating, retaining the related Loge Seating revenues provided that Athletics will be provided an amount in return 50% of the total net revenues for the Loge Seating. Subject to the terms and conditions of subparagraph D below, University grants City the exclusive right to market, license and assign the Loge Seating to individuals and entities in connection therewith.

C. Club and Floor Seating. The Arena will have Club Seating and Floor Seating (front row or courtside) as approved in the Construction Documents consisting of approximately 1,500 seats. The parties understand and agree that the number of Club Seats and Floor Seats will be determined by mutual agreement as provided in the Lease/Operating Agreement between the Parties. Athletics will market and sell all of the Club and Floor Seating for Home Games, retaining the related Club and Floor Seating revenues, provided that the City will market and sell all of the Club and Floor Seating for non-university events and retain the related Club and Floor Seating revenue. Combined sales for both Home Games and non-university events shall be split pro-rata unless otherwise agreed in the Lease/Operating Agreement. Subject to the terms and conditions of subparagraph D below, University and City grant to each other a reciprocal right to market license and assign Club and Floor seats to individuals and entities for non-university events in combination with Home Games.

D. Premium Seating.

Notwithstanding the City’s exclusive right to market, license and assign Suites Seating and Loge Seating, the City agrees to consult with Athletics on assignment of all seats to Home Games. Athletics has exclusive rights to assign seating for the Club Seating, Floor Seating and non-premium seats available to its students and fans for Home Games.

Both parties shall cooperate with one another in bundling packages for combined seating at all Arena events. Athletics agrees to allow City to sell suites and loges at a market rate to be determined by City
and its consultants. Athletics agrees to allow an appropriate debt related pledge of Athletics portion of
the Loge Seating revenues subject to reimbursement, should such pledge be required by bondholders as
approved by bond counsel for the University and then only as a special limited obligation not
consisting a debt or liability of the University.

E. The Parties agree that Arena Sources of Funds shall be expended only as follows: First toward
payment of the principal, redemption price and interest due in connection with bonded indebtedness
related to the Leased Improvements. The parties agree that any Arena revenues not needed for
payment of principal or redemption price and interest shall be segregated and dedicated to pay for
operation and maintenance costs of the Leased Improvements and Arena in accordance with the
attached West Haymarket Flow of Funds diagram (Exhibit C) indicating the priority of draws on Arena
Sources of Funds. University shall have no other responsibility or liability for repayment of the bonds.

A. Sales. Athletics shall have the right to set ticket prices for all Basketball Team “Home Games” and
other Athletics sponsored intercollegiate events held in the Arena. Athletics shall, at its own cost and
expense, perform all duties for the sale of tickets, including operation of a box office at the Arena for the
sale of single game tickets. In operating the ticket office, Athletics may use the City’s ticket system or
use remote access to its own ticketing system. City will provide Athletics with access to the City’s box
office and equipment. Athletics shall be entitled to receive and retain all revenues from all season and
single game ticket sales. City reserves the right to fix the prices for non-University ticket sales and sell
such tickets for all other uses of the Arena. City shall be entitled to receive and retain all revenues from
the other uses of the Arena. Athletics and City agree to work together to resolve any problems which
may arise regarding the joint use of the City’s box office and equipment.

B. Surcharge. City will initially assess the $1.00 surcharge per ticket sold on all events in the arena
including Home Games subject to the provisions of Paragraph 9D. In the case of season tickets, the
$1.00 surcharge will be assessed separately on each Home Game during the season. If the City
determines that the finances of the Arena make it necessary to increase the ticket surcharge to all
events in the arena, Athletics agrees to permit a temporary additional surcharge to apply to tickets for
Home Games with the following limitations: only for so long as financially required and not to exceed
$0.50 in any 3 year period with a total of 4 incremental increases permitted over the term of the lease,
up to a maximum of $3.00/ticket inclusive of the first dollar subject to the provisions of Paragraph 9D.
The Lease/Operating Agreement shall provide the process for determining financial need and the basis
for allocating, beginning and ending any temporary additional surcharge. All amounts collected from any
City surcharge will be remitted to the City, and except as provided in Paragraph 9D, shall be applied
toward payment of the principal, redemption price and interest due in connection with the Debt Service
Fund. Athletics will collect such surcharge and any other ticket surcharge or user fee imposed by
another governmental agency from the Home Game ticket purchaser and pay the entire amount of such
surcharge to the City or other assessing governmental agency as required by applicable law. Except as it
relates to the Surcharge, Athletics shall be responsible for all sales tax, use tax, or other tax associated
with the sale of tickets or use of the Arena for all Home Games or other Athletics use of the Arena.
13. **Naming Rights.**

A. Naming Rights. The City reserves and shall have the exclusive right to sell, license, or grant the right to name the Arena and identifying such name on the Arena concourses, the entrances to the Arena, the exterior Arena roof, the exterior of the Arena or any other areas on, in, upon or immediately around the Arena except for the basketball court floor and specific areas leased for the exclusive use of Athletics (e.g., Husker Vision space and locker rooms for the Basketball Teams). The University is hereby granted the exclusive right to sell, license or grant the right to name the basketball court floor and the locker rooms for the Basketball Teams. The City and University will retain all revenue arising from the sale, lease, or licensing of their respective Naming Rights. The parties agree to support and cooperate with each other in the sale and promotion of Naming Rights, and both parties grant a reciprocal right of reasonable consent and approval to the exercise and modification of naming rights taking into consideration the co-existing naming and related terms and conditions in existing and proposed naming agreements. Either party may propose removing any established naming subject to the reasonable consent and approval of the other party if such action is reasonably determined to be necessary for (i) the protection of the reputation and stature of either party, (ii) failure to fulfill agreed upon obligations associated with the naming, or (iii) other changes in circumstances materially impacting either party. Before taking any such action, bond counsel for the JPA and respective legal counsel for the parties shall be consulted in regard to any legal obligations the parties may have under any pre-existing agreement related to naming or in regard to any other matter that may have legal bearing upon a proposed change in name.

B. Mutual License. City hereby grants and shall cause to be included in any Naming Rights agreement for the Arena a grant to the University for the term of the lease, of a non-exclusive, royalty free, worldwide, right and license to use the Arena name and identification, solely for the purpose of promoting the University and its athletic programs or functions that use the Arena during the term. University grants to the City, for the term of the lease, a non-exclusive royalty free, worldwide, right and license to use the name of the University, the name of UNL, the name of the Athletic Department, and the names of the Basketball Teams solely for the purpose of promoting the Arena, including but not limited to the sale of Naming Rights and advertisements, during the Lease Term.

14. **Arena Signage.** Consistent with the Multi-Media Agreement, the City reserves and shall have the exclusive right to seek, negotiate and obtain agreements regarding the right to temporary and/or permanent signage inside or outside the Arena for non-University events and to retain the revenue therefrom. The City further reserves the right to advertise and promote future City events during Home Games and other University events consistent with the Multi-Media Agreement. Athletics will provide reasonable exposure via electronic means and PA announcements for non-University events before Home Games and once during half-time of Home Games. Athletics will prohibit its MM-Agency from selling sponsorships that include food or drink give-aways at Home Games except as coordinated and agreed with the City and their concessionaire.

15. **Concessions.** The City itself, or through its concessionaires, shall operate all food and beverage sales at the Arena including Home Games and shall be entitled to retain all net revenues received therefrom.
City agrees that no alcohol sales shall be allowed during UNL Basketball Games and other UNL events. City agrees to include as part of its concessions during Home Games, an assortment of affordable foods. The City agrees to provide, at cost, concession basic food and beverage service to the locker rooms of the Basketball Teams and visiting teams at Home Games.

16. University Broadcast Rights. University will have the exclusive right to sell or license the television, radio, motion picture, internet or other rights to the broadcasting, filming or other recording (“Broadcast Rights”) of all Home Games held in the Arena and to retain all revenue from such sale or license of Broadcast Rights. University understands that the City may require payment by such broadcasters to City of reasonable and customary hookup or other fees as a condition of their use of the Arena for broadcasting purposes; all such amounts received by City shall be the exclusive property of the City.

17. Branding. The Arena will provide appropriate locations for the University to identify the Basketball Teams (“Branding”). City will not take any action that is inconsistent with the Branding of the Arena for the Basketball Teams. City will permit University to display historical banners in the Arena that recognize the historical accomplishments of the Basketball Teams, individuals and conference affiliation. The historical banners will not be required to be displayed at events other than Basketball Team games. University agrees that all copyright, trademark and service mark material used by University will be duly licensed or authorized by the copyright, trademark, or service mark’s owner or their representative.

18. Sale of University Merchandise. The University, at its expense, shall have the exclusive rights to sell or at its option, contract with a third party to sell University merchandise in and around the Arena during Home Games in a manner similar to the Halo policy for memorial stadium. The cost of all merchandise inventory and merchandise sold shall be at the University’s expense. The University shall determine the kind, quality, quantity, and pricing of the merchandise to be sold. The City shall provide suitable locations in each concourse for the sale of merchandise.

19. Operation. The City, or its designee, will operate and maintain the Arena, Basketball Space and Arena Parking Improvements in a manner consistent with arenas and parking improvements of similar age, size and design, ordinary wear and tear excepted. The City will be entitled to establish reasonable parking fees for the parking garage and parking lot provided that such parking fees established for Arena events will be commercially reasonable. Provisions for VIP parking and other parking arrangements for Home Games will be detailed in the Operating/Lease agreement.

20. Maintenance. In consideration of the rent paid in 9c above, the City will operate and maintain the Arena and Leased Improvements so as to cause it to remain in a condition comparable to that of other multipurpose sports and entertainment facilities of similar size, design and age, ordinary wear and tear excepted. The City will be responsible for all operating, maintenance, and capital repair expenses related to the Arena and it will be operated in a manner substantially similar to and consistent with other similarly situated multipurpose sports and entertainment arenas suitable for Division I basketball programs.

21. Contingencies. The performance of this MOU is contingent upon the following:
A. The City Council for the City approving the necessary agreements, resolutions and ordinances for the implementation of the West Haymarket Project, including placing the applicable ballot proposition(s) for the necessary financing and implementation by the City of West Haymarket Project (collectively “Ballot Proposition”) for voter approval at a Primary Election on Tuesday, May 11, 2010 (“Ballot Election”); and

B. The approval of the Ballot Proposition at the Ballot Election;

MEETING DATE: February 12, 2010

SUBJECT: West Haymarket Joint Public Agency/ West Haymarket Arena in the City of Lincoln, Nebraska.

RECOMMENDED ACTION: Resolution and Statement of Creation (1) authorizing the President to execute the West Haymarket Joint Public Agency Agreement, and (2) authorizing the President to administer and execute the related approvals and instruments for creating and implementing the West Haymarket Joint Public Agency. This item is presented for information only and will be brought back to the Board for approval at its March meeting.

PREVIOUS ACTION: None.

EXPLANATION: Approval of this agenda item will authorize the President to execute the West Haymarket Joint Public Agency Agreement with the City of Lincoln. A copy of the agreement is attached.

The City of Lincoln will be considering the Joint Public Agency Agreement on or before February 8, 2010.

The terms of the Agreement, resolution and related Memorandum of Understanding provide for final definitive agreements that will limit the University’s financial obligations in the West Haymarket Arena Project to the rent paid for Athletics to operate Home Games and practices for men’s and women’s basketball programs. The definitive agreements between the University and City are planned to include the creation of a separate entity, the West Haymarket Joint Public Agency (JPA) and a related lease or operating agreement (Lease/Operating Agreement) as determined by the parties.

The JPA will function as a coordinating entity to finance and provide for the contracted design and construction of the Arena as well as necessary land acquisitions/remediation and supporting infrastructure and facilities for the larger scope of West Haymarket Improvements.

The JPA will allow the parties to track and account for costs and revenues at the Arena at the same time allowing for the broader Arena Improvements to benefit from pour-over revenue allocations when available. Other West Haymarket Improvements may also derive the benefits of being included under the general financing authority or jurisdiction of the JPA but are to be stand alone and separate from the debt service and revenue allocations related to the Arena and Athletics.
Athletics is to be a tenant in the Arena, the University is to be a party to the JPA, and the Board of Regents shall approve any Lease/Operating Agreement involving Athletics related to the Arena.
